Notes

- 1 For field 1, please enter the corporate number notified to your head office, etc., by the Commissioner of the National Tax Agency in October 2015 or later.
- 2 Please enter the office telephone number in section 6. In this case, please write each item aligned to the left, and write the local exchange number and telephone number aligned to the left in the five boxes following the hyphen (-)
(example: 03-3456-XXXX →)
- 3 In section 7, enter the date on which the business became eligible for employment insurance. In this case, please enter the code number corresponding to the name of the Japanese era. If the year, month, or day is one digit, write it in two digits by adding a "0" to the tens place for each.
(Example: April 1, 2002 →)
- 4 In section 14, please specifically enter the product name and manufacturing process or business content (for example, construction business, forestry, etc.).
- 5 In section 18, next to "General", enter the total number of general insured persons, elderly insured persons, and short-term employment special insured persons from among those covered by employment insurance. Next to "Day Worker," enter number of insured day workers.
- 6 For section 21, please circle the applicable items.
- 7 In section 22, please enter a map of the route from the nearest train/subway station or bus stop to the business office.

Requests

- 1 Please submit within 10 days from the day after establishing your business office.
- 2 Please bring a business license, registration certificate, and other documents that can confirm the details.

22.Directions from the nearest train/subway station or bus stop to the office
